

Location: Winnipeg Capital Region, St. Andrews Airport district

Revit Building Modeller

At Parsus Engineering (Parsus), we are full-service integrated design consultants who design efficient, sustainable solutions for clients across Canada. Our team values collaboration, quality, and continuous improvement. We are currently seeking a Building Modeller to join us and contribute to our mission.

Responsibilities

- Prepare detailed drawings and 3D models using Revit for architectural, structural, mechanical and electrical projects.
- Collaborate with engineers and project coordinators to translate design concepts into high-quality design documents.
- Ensure all drawings meet internal standards, project requirements, and client expectations.
- Revise drawings based on feedback and coordinate updates across project teams.
- Maintain organized drawing sets, models, and file management systems.

Requirements

- Graduated from a recognized post-secondary institution's Civil Engineering Technology program.
- Eligible to start registration with The Certified Technicians & Technologists Association of Manitoba (CTTAM).
- Must possess a valid driver's license for a passenger vehicle.

Knowledge, Skills and Abilities

- Experience with Revit and/or Strucsoft BIM software.
- Aptitude for and general understanding of building construction methods and procedures.
- Strong verbal and written communication skills, and a willingness to function in a team-based environment.

About Us

At Parsus Engineering, you'll work on a wide range of projects while enjoying the support of a collaborative, multidisciplinary team. We combine the personal attention of a local firm with the expertise and resources of a larger engineering practice.

- Competitive compensation package that includes employer supported retirement savings plan.
- Robust health benefits – Health Care Spending Accounts for flexible coverage tailored to your individual needs.
- Fun working environment with on-site basketball half-court, putting green, billiards, table tennis, and BBQ area.
- Opportunities for professional growth and career development.
- Collaborative environment where your work directly contributes to client success.
- Free EV/PHEV charging.

How to Apply

Please send resume and cover letter in **PDF** file format to **jobs@parsuseng.com**

While we thank all applicants for their interest, only those selected for an interview will be contacted.
